Reimagine Resident Satisfaction

Speed Queen's stacked washer-extractor/tumble dryer is the perfect machine to deliver maximum capacity in a small space, increasing your return on investment per square meter.

- Designed to produce maximum ROI per square foot for laundry rooms where space is at a premium
- Offers all the benefits of a Speed Queen 30-pound washer-extractor and tumble dryer (50-pound version also available)
- A flush-mounted soap dispenser contributes to the machine's sleek, modern design, that includes stainless steel with chrome accents
- Minimal front fasteners gives quick access to key washer-extractor components to improve serviceability
- Tumble dryer features two cycle modifiers for additional profit potential
- Enhance common laundry space with a larger capacity option and increase revenue opportunities, while leaving plenty of room for smaller machines.
- This Quantum Touch unit has the flexibility to offer a variety of vend options:
 - Electronic Single Slot Coin Drop
 - Mount a single Card Vend Terminal on each pocket
 - Connect with Insights PRO to have Cash less Smart Phone App interface
