Reimagine your laundry experience with the Speed Queen Quantum Touch display. Clear, easy to use, easy to understand directions with profitable cycle modifiers enhance your customers' experience and increase return on investment.

- User-friendly screen with operating instructions built in as part of the control
- 5 basic cycles (high, medium, low, delicate, no heat)
- Easy-to-understand cycle modifier prompts will encourage your customers to customize their dry

- Flexible pricing & additional revenue opportunities with customizable cycle modifiers, time-of-day pricing and lucky cycle options
- 30+ languages available
- On screen timer so your customers know exactly how much time their cycle will take
- Flexible Payment Options - Coin, Card, Mobile, Cash

Our tumble dryers are built with a single purpose: performance. They are specifically designed with fewer moving parts, so you'll face fewer maintenance issues over their lifespan.

- 5", full color, touch screen display on stack tumble dryers (7" display on single tumble dryers)
- Chrome door ring
- Lint trap blends in with front panel for a sleek, modern look
- Innovative galvanized cylinder design with stainless steel back

Tumble Dryers

- Patented oval cylinder perforations prevent small metal objects from passing through and damaging the dryer's sweep sheets
- Axial Airflow provides the most concentrated and efficient drying possible to make dry times even faster, while saving you money
